

# South Texas Veterans Health Care System

## PGY2 Infectious Diseases Pharmacy Residency

### Our Program

This STVHCS PGY2 residency in Infectious Diseases has been ASHP-accredited since 1996 and is designed to provide a challenging training opportunity for individuals desiring to develop clinical competency in the specialized area of infectious diseases pharmacotherapy. The 12-month training period incorporates both outpatient and inpatient rotations devoted to the development of skills essential for the delivery of pharmaceutical care with a primary focus on infectious diseases.

### **Quick Facts:**

- A 268-bed health care system
- Supports a 90-bed Community Living Center (CLC), a 30-bed Spinal Cord Injury Unit, and 22 rehabilitation beds
